* * * * *

MAJOR TOPICS OF PRESENTATION

- History of the Coroner System—What does the coroner do?
- Criteria for determining what deaths require forensic examination—by whom and under what circumstances might the coroner be called?
- Establishing the identity of the deceased---when, where and by what means did death occur and the surrounding circumstances
- Preparations required for appearance at an inquest or at a formal courtroom trial
- Additional resources and support needed to make the job of the Summit County Coroner easier and more effective

**SUMMIT COUNTY COMMUNITY AND SENIOR CENTER
FRISCO, COLORADO**

**Snacks and beverage will be provided during the meeting.
For more information call 970 453 2685**
